Start-up Slam
E-MENTAL-HEALTH
Berlin

Interreg North-West Europe eMEN
European Regional Development Fund

Apply now!

29 November 2019 | Messe Berlin

What it's all about:

- 1 day dedicated to e-mental health at this years DGPPN Congress in Berlin, Germany
- Expert lectures on „Digital Innovations in Psychiatry & Psychotherapy"
- 5 Start-ups get the chance to introduce themselves to the medical community

It's worth it!

- Networking and contact to potential users
- Information stand for your product
- Feedback from doctors, therapists and experts
- Inspiration through expert lectures
- And the best: it's free of charge (financed by Interreg NWE – eMEN project and DGPPN)

How to apply?

- We are looking for innovative, e-mental health products that complement and enhance the treatment of mental illness
- **Send us a short description of your e-mental health product and your start-up via email, with a link to your website**
