13.30 – 13.40

Welcome and check-in

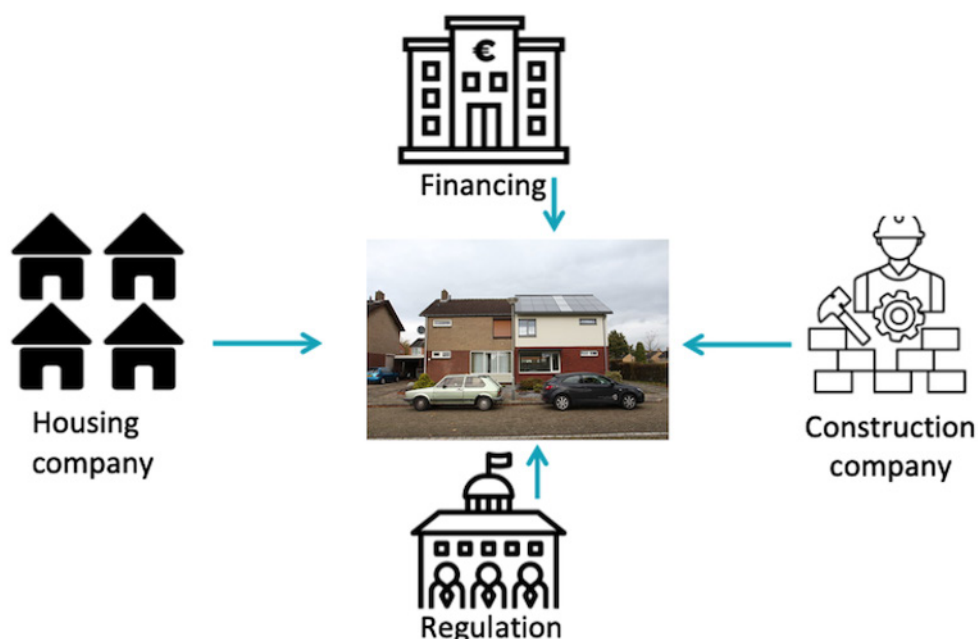

13.40– 13.50

Introductions of partners and market development teams

13.50-14.30

Where are we as a project?

What is the end game in each of the 4 elements together making a market? Where are we going? The German, UK, French, Dutch and Italian market development teams present an update on their markets on this journey.

14.30-14.50

State of play by housing organisations

Housing organisations present projects and project pipeline.

How creative have you been? The group decides whose board is the best via a poll. So, there will be a winner and a price!

14.50- 15.00

Reporting

Short feedback on the 2 previous Interreg reports and reminder of reporting requirements to ensure we all get paid.

15.00 – 15.05

Short break

15.10- 15.50

Implementation of the Energiesprong approach

How to cooperate with builders and how can you prepare your housing organisation for this?

15.50-15.55

New developments in the market
