10.45-12.30	<b>THEMATIC SESSIONS</b> <p>These sessions will showcase project results and give participants an opportunity to meet and network.</p> <p>Participants are asked to register to one of the following sessions:</p> <ul style="list-style-type: none"><li><b>Digitalisation</b></li><li><b>From farm to fork</b></li><li><b>Smart cities</b></li><li><b>Social innovation</b></li></ul>

Each session will be divided up into two parts:

1. Presentations by Joint Secretariat staff and Contact Points on what the programme has achieved up to now- including project examples-, and what is coming up in the future programme.- 45'
2. Open networking sessions – 45'  
Participants will have the possibility to host virtual round tables to either:
  - Present their project results
  - Exchange on needs and challenges
  - Look for synergies
  - Discuss a project idea for the future programme.
3. Conclusion – 5'

***If you wish to host a virtual round table:** please briefly describe the topic of your presentation in the registration form. Organisers will contact you after 14 June to let you know if your proposal was selected or not.*
