

BioBase4SME TRAINING

Intellectual Property Strategy

Date: Friday 30 June 2017

Venue: Brightlands Chemelot Campus, Urmonderbaan 22 (Gate 2) - 6167 RD Sittard-Geleen
Conferenceroom Gareth in Center Court (ground floor, room 0.62)

You are invited to join our intellectual Property Training with focus on industrial biotechnology and the biobased economy organized by CLIB2021, Flanders Biobased Valley and REWIN West-Bra-bant. This training course is organized within the framework of the BioBase4SME project and is designed to meet the emerging needs of SMEs, startups and upcoming spinouts from universities.

BioBase4SME provides Bio-Innovation Support for Entrepreneurs throughout North-West European regions. BioBase4SME helps startups and SMEs to overcome technological and non-technological barriers to bring their innovation to market.

TOPICS

At the end of the training you will know...

- all the basics of Intellectual Property.
- the difference between patents, copyright and trademarks.
- how to create your own IP strategy
- how to handle IP in project consortia.

To create an interactive training, all participants are requested to send questions or special topics in advance.

Participation is free of charge but registration is required. Only 15 tickets are available.

Registration Deadline: 20 June 2017
