

CALL 3 FOR SMALL-SCALE PROJECTS OPENING ON 23 FEBRUARY 2023

28 February 2023

Join us at the online launch event

Join us at our online launch event "[Small projects, new opportunities!](#)" on 28 February 2023. To prepare for the event read through the call documents as published on our [website](#) on 23 February 2023.

March – July 2023

Exchange with your Contact Point

Exchange with your national / regional NWE Contact Point to develop your small-scale project idea in line with the Programme's requirements.

June 2023

Join a small-scale project workshop

Before submitting your application, join a national/ regional project development workshop to help you finalise your small-scale project application. This will also be a chance to exchange with other applicants.

12 July 2023

Submit your application

Submit your application form online: www.jems.nweurope.eu. The Interreg NWE Joint Secretariat will then assess your application and recommend it for approval or rejection.

October / November 2023

Get notified and start your project

The Monitoring Committee (MC) will decide which projects are approved for funding on 26-27 October 2023. Approved projects start with activities upon notification shortly after MC decisions.
