

Supporting sustainable local economy in North-West Europe.

Climate Active Neighbourhoods: Final Conference, March 1st 2023, Liège, Belgium

> Entreprendre Durable, the new platform of City of Liège (BE) City of Liège Whitney Bader

No.

Discussion

How to make a success of the transition? What can be done?

What if?

90% of human inventiveness is an attempt to have more free time and a place to sit.

Without laziness, we would all be working in the fields.
