TECHRUPTION

H2020
BLOCKSTART

Bringing together four major pan-European projects that support the development of blockchain technology and its multi-sector adoption.

Each of these projects offers business and technological support as well as direct financial seed funding for start-ups and SMEs in Agriculture; Fintech; Logistics and Health.

Participants will discover the project objectives and the available support.

Start-ups and SMEs will benefit from the advice and information provided by key players in these EU-funded projects, including Pieter Custers (Brightlands Techruption Manager), Professor Christopher Brewster (TNO and Maastricht University). Dr. Tjerk Timan (TNO).

AGENDA

10.30 - MEET THE PROJECTS

Each project presents its value proposition, followed by the collaboration roadmap.

11.30 - SME FEEDBACK

12.30 - LUNCH & NETWORKING

13.30 - REGULATORY BLOCKCHAIN LANDSCAPE

14.30 - SME PITCH

SMEs are invited to pitch their value proposition and outline their expectations.

15.30 - WRAP-UP

Each project will present a roadmap for the upcoming months.

16.30 - CONCLUSIONS
