How to develop a successful NWE project?

Sarine Barsoumian

Head of Unit – Projects, Interreg NWE

Alexandre Colombani

Head of Unit – Development and Communication, Interreg NWE

Julie Leblois

Scientific Collaborator, Elevéo asbl

Lead partner of the HappyMoo and HoliCow projects

**What the Programme is looking for
across all priorities**

Territoriality

Cooperation

Impact

What makes a good project?

A clearly defined **need** and **territorial relevance**

A strong contribution to Interreg NWE **Programme objectives**

Going **beyond existing approaches**

A **transnational partnership** to reach project objectives

What makes a good project?

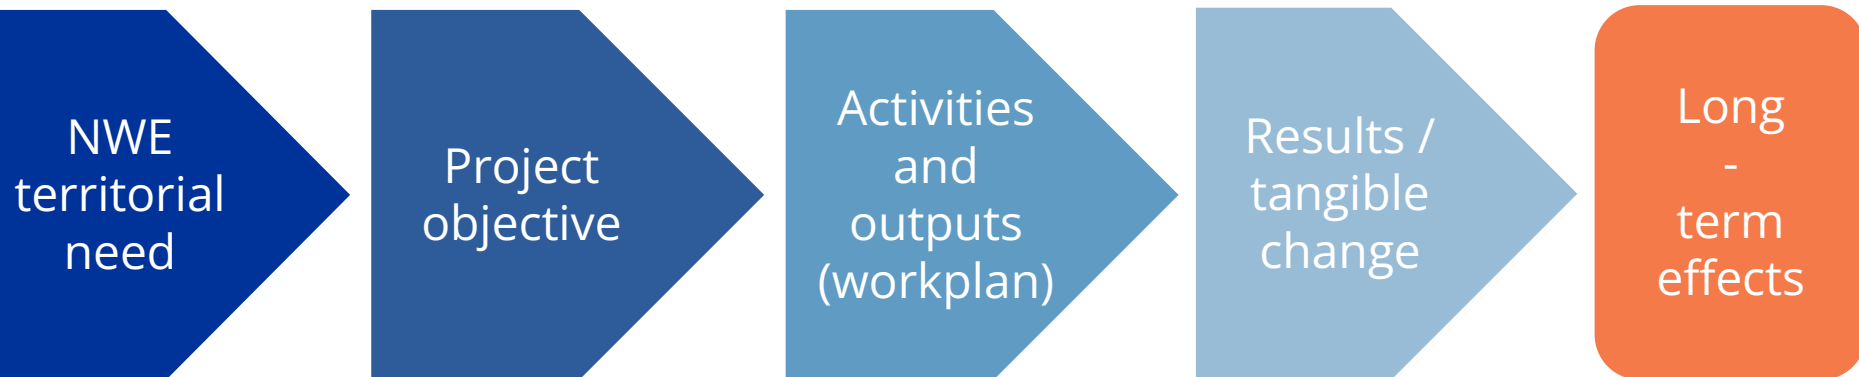

Interreg

North-West Europe

Co-funded by
the European Union

A strong project intervention logic

Application process in 2 steps

STEP 1

- Territorial challenge
- Transnational relevance
- Strategic fit
- Partnership concept
- Expected results

STEP 2

- Work package structure
- Activities, deliverables and outputs
- Phases of the project
- Budget

Hints and tips for applicants

Interreg

Co-funded by
the European Union

North-West Europe

HoliCow

Why Interreg NWE and not other programmes (EU or national)?

Interreg

Co-funded by
the European Union

North-West Europe

horizon
europe

M-ERA.NET

- Territorial relevance to NWE specifically
- Necessity of transnational collaboration
- Needs vs Programme objectives

Hints and tips for applicants

Interreg

Co-funded by
the European Union

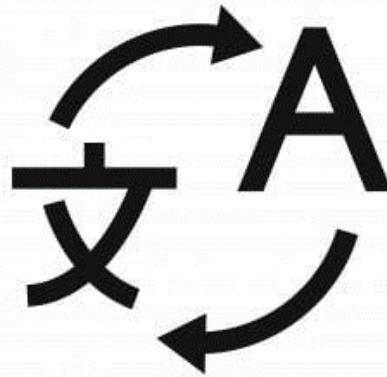

North-West Europe

HoliCow

European language

Scientific or usual language

- To understand the Programme needs
- To make your point understandable by the Programme
- By yourself, consortium partner or external help

Hints and tips for applicants

Interreg

Co-funded by
the European Union

North-West Europe

HoliCow

- Capitalise from the past (projects, data, partnership)
- Build your partnership
 - Trust
 - Complementary skills
- Foresee **concrete** results
- Don't under-estimate communication (inside and outside the project)

Project idea meet-ups

Key questions for step 1

Interreg

North-West Europe

Co-funded by
the European Union

Challenge and need: What problem is your project addressing in the NWE territory? Which NWE thematic priority does your project address?

Transnationality: Why is territorial cooperation at the NWE level needed for your project?

Partnership: What type of expertise is needed to reach your project results?

Results: Which results are you aiming for?
